### Chorus 1

Home, a place where I can go  
To take this off my shoulders  
Someone take me home  
Home, a place where I can go  
To take this off my shoulders  
Someone take me home  
Someone take me

### Verse 1

Look, I didn't power through the  
struggle  
Just to let a little trouble, knock me out  
of my position  
And interrupt the vision  
After everything I witnessed, after all of  
these decisions  
All these miles, feet, inches  
They can't add up to the distance  
That I have been through, just to get to  
A place where even if there's no  
closure, I'm still safe  
I still ache from trying to keep pace  
Somebody give me a sign,  
I'm starting to lose faith

### Pre Chorus 1

**BAS** Now tell me: how did all my  
dreams turn to nightmares?  
**BAS** How did I lose it when I was right  
there?  
**BAS** Now I'm so far that it feels like  
it's all gone to pieces  
**BAS** Tell me why the world never  
fights fair  
I'm trying to find

### Chorus 2

Home, a place where I can go  
To take this off my shoulders  
Someone take me home  
**BSA** Home, a place where I can go  
**BSA** To take this off my shoulders  
**BSA** Someone take me home  
**BSA** Someone take me

### Post Chorus

**BSA** Home, o-o-o-o-oh  
**BSA** Home, home  
**S** Someone take me  
**BSA** Home, o-o-o-o-oh  
**BSA** Home, home

### Verse 2

Look, I've been through so much pain  
And it's hard to maintain, any smile on  
my face  
'Cause there's madness on my brain  
So I gotta make it back, but my home  
ain't on the map  
Gotta follow what I'm feeling to  
discover where it's at  
I need the **(B memory)**  
In case this fate is forever, just to be  
sure these last days are better  
And if I have any **(B enemies)**  
To give me the strength to look the  
devil in the face and make it home safe

### Pre Chorus

#### Chorus 2a

**BSA** Home, a place where I can go  
**BSA** To take this off my shoulders  
**BSA** Someone take me home  
**BSA** Someone take me

## Bridge

I found no cure for the loneliness  
I found no cure for the sickness  
Nothing here feels like home  
Crowded streets, but I'm all alone  
I found no cure for the loneliness  
I found no cure for the sickness  
Nothing here feels like home  
Crowded streets, but I'm all alone
