VERSE 1

I've been ^{Em}tryna ^Cfind your heart
But you ^Gkeep ^Dburning all the bridges to where you are
I've been ^{Em}looking ^Cfor a spark
But you ^Gjust ^Ddisappear and leave me here in the dark
Will it really ^{Em}make a difference
If nobody's ^Cgonna listen?
How could you ^Gbe close to me ^Dphysically, but feel so distant?
Feels like you ^{Em}drew a long line
And now I'm ^Con the wrong side
And if we ^Gdon't believe the same, ^DDream the same,
You ^Dleave me on the outside

CHORUS

Behind your ^{Em}walls, You ^Cbuild them up so tall
You don't even ^Ghear me ^Dcalling, Brick by brick, I try to tear them
^{Em}Down, But you just ^Cstand your ground
You don't even ^Ghear the sound of all my ^Dcannons raging
Behind your ^{Em}walls, ^CWalls, ^GWalls, ^DBehind your walls

VERSE 2 - Em C G D

I try to find the words
But no matter what I say, I swear they go unheard
And they scatter like the leaves
I can tell by the look in your eyes
Oh, that you don't wanna see
